## 2023 Early Bird Discount Program

The 2023 Early Bird Discount Program is available to all customers that have both a scheduled pool opening and closing for the 2023 season. By participating in the program your valid credit card on file will be charged for your scheduled pool opening and closing, and you will receive a \$20.00 discount on the pool closing. Should you wish to pay by check please print this form and return to Concord Pools & Spas along with a check for the full amount of the pool opening and closing minus the \$20.00 discount (please include tax). This form must be received by Concord Pools & Spas no later than April 1, 2023.

In lieu of charging my credit card on file I have enclosed a check for the full amount of the pool opening and closing including tax for the 2023 Early Bird Discount Program.

By signing this form, I hereby confirm that I have ready and understand the “2023 Pool Service Program” and “2023 Early Bird Discount Program” and authorize Concord Pools & Spas to charge the credit card below for the “2023 Early Bird Discount Program” as well as any additional equipment, materials and/or services performed at the pool opening, closing, and service calls.
